Writing center visits are face-to-face consultations. We are not a drop off service. When you come to visit, expect to spend time talking about your writing. Please bring a rubric or assignment information with you.

Online submissions require a 24 to 48 turnaround time. Please do not expect a same day response for an online submission.

To check Roosevelt availability, please email Kim Hales at kim.hales@aggiemail.usu.edu or check the posting in the media area.
